

SBA Boat Registration Disk

SBA requires that all boats attending rallies carry a registration disk.

The registration disk is free to SBA members and will be issued for boats meeting SBA requirements for insurance and boiler inspection.

NB. The standard SBA boat insurance scheme arranged by Stuart Alexander currently provides combined boiler and boat insurance cover for up to £2,000,000 third party claims.

Disks are valid for one year from issue.

This is currently a registration scheme for SBA purposes only, you will still need to carry the necessary documentation with you for other purposes.

To apply for a registration disk please complete the following form and return it to :-
